- Architecture and Engineering
- Analysis and Design
- Application Development
- Systems Integration
- Operations and Maintenance
- Database and Information Management
- Consulting Services
- IT Staffing Services

SSI Role Play & Exercise Support on CNN

- SSI was featured on Mike Rowe's CNN show "Somebody's Gotta Do It" in June 2015, where SSI supported a Navy Seabees exercise at the Naval Construction Training Center (NCBC), Gulf Port, MS. SSI role player Jose Colon-Rosario appears in the photo below.

- CNN: https://www.youtube.com/watch?v=7QH6vyryVTc
- SSI promo video: https://www.youtube.com/watch?v=3Lxly3rqLJw

Why SSI?

- Exceptional CPARS ratings by consistently exceeding expectations
- Extensive geographic performance across the CONUS and in 22 countries on 5 continents
- Experience operating in austere, hostile and high threat OCONUS DOS, military, and other locations
- Broad array of experience providing integrated solutions (training, language, intel, security, SMEs)
- Demonstrated ability to capture and execute large program awards
- Provide superior support for both small and large primes and subs
- Commitment to excellence, performance and customer satisfaction
- Easy to do business with – responsive, flexible, agile – a true team player with integrity and trust
